1. Unless otherwise specified by law or Articles of Incorporation, the Company shall proceed with its shareholders' meetings according to the terms of the Rules.

2. (Convention and advising of shareholders' meetings)

Unless otherwise specified by law, shareholders' meetings are convened by the board of directors.

When the company convenes a virtual Shareholders' meeting, unless otherwise specified in the Regulations Governing the Administration of Shareholder Services of Public Companies, it should be stated in the articles of association and approved by the board of directors. The virtual shareholders' meeting should be approved by the board of directors with more than two-thirds of the directors present and the resolution shall be passed with more than half of the attending directors in agreement.

Unless otherwise specified by law or the Articles of Incorporation, shareholders' meetings of the Company are convened by the Board of Directors.

Changes to how the Company convenes its shareholders' meeting shall be resolved by the Board of Directors, and shall be made no later than mailing of the shareholders' meeting notice.

The Company shall prepare an electronic file that contains the meeting notice, a proxy form, a detailed description of various agenda items to be ratified or discussed during the meeting, and notes on re-election or dismissal of directors and post it to the Market Observation Post System (MOPS) at least 30 days before an annual shareholders' meeting, or 15 days before an extraordinary shareholders' meeting. The Company shall prepare electronic versions of the shareholders' meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the annual shareholders' meeting or before 15 days before the date of the extraordinary shareholders' meeting. If, however, the Company has the paid-in capital of NT\$10 billion or more as of the last day of the most current fiscal year, or total shareholding of foreign shareholders and PRC shareholders reaches 30% or more as recorded in the register of shareholders of the shareholders' meeting held in the immediately preceding year, transmission of these electronic files shall be made by 30 days before the annual shareholders' meeting. Physical copies of the shareholders' meeting procedures manual and supplementary information shall also be prepared at least 15 days before the meeting and made accessible to shareholders at any time. These documents must be placed within the Company's premises and at the share administration agency appointed by the Company.

The Company shall make the meeting agenda and supplemental meeting materials in the preceding paragraph available to shareholders for review in the following manner on the date of the shareholders' meeting:

- I. For physical shareholders' meetings, to be distributed on-site at the meeting.
- II. For hybrid shareholders' meetings, to be distributed on-site at the meeting and shared on the

virtual meeting platform.

III. For virtual-only shareholders' meetings, electronic files shall be shared on the virtual meeting platform.

Agenda items must be explained in detail in the meeting notices and announcements. Subject to agreement by the receiving party, meeting notices may also be delivered electronically.

Matters pertaining to the election or discharge of directors, alteration of the Articles of Incorporation, capital reduction, application for the approval of ceasing enterprise status as a public company, approval of competition with the Company by directors, capitalization of profits, reserve distributed in the form of new shares, dissolution, merger, spin-off, or any matters as set forth in Article 185, Paragraph 1 of the Company Act, Articles 26-1 and 43-6 of the Securities Exchange Act, and Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers shall be itemized in the causes or subjects to be described and the essential contents shall be explained in the notice to convene a meeting of shareholders, and shall not be brought up as special motion.

Where the reasons for convening a shareholders' meeting had specified a re-election of all directors and their terms of office, after the completion of the election at that meeting, the terms of office for the directors cannot be altered by extraordinary motions or any other means in the same meeting.

Shareholders who own more than 1% of the Company's current outstanding shares are entitled to propose agenda items for discussion in annual shareholders' meetings. Each shareholder, however, shall propose one agenda item only, and no proposal containing more than one item will be included in the meeting agenda.

The Board of Directors may disregard shareholders' proposals if the proposed agenda item involves any of the circumstances listed in Article 172-1, Paragraph IV of the Company Act. Shareholders may submit proposals of recommendation to urge the company to promote public interest or fulfill its social responsibilities. Procedurally, each proposal shall be limited to one agenda item only in accordance with the relevant provisions of Article 172-1 of the Company Act. Any proposal with more than one item shall not be included in the meeting agenda.

The Company shall announce, before the ex-dividend date, the acceptance methods in writing or by way of electronic transmission, and the conditions, places, and time in which shareholders' proposals are accepted. The period of acceptance shall be no shorter than ten days.

Shareholders shall limit their proposed agenda items to 300 words; proposals that exceed 300 words shall be excluded from the agenda. Shareholders who have successfully proposed agenda items shall attend the annual shareholders' meeting in person or through proxy attendance and participate in the discussion.

3. Shareholders may appoint proxies to attend shareholders' meetings by completing the Company's proxy form and specifying the scope of delegated authority.

Each shareholder may issue one proxy form and delegate one proxy only. All proxy forms must arrive at the Company at least five days before the shareholders' meeting. In the event that multiple proxy forms are issued, the proxy form that arrives first shall prevail. However, exception shall be granted

if the shareholder issues a declaration to withdraw the previous proxy arrangement.

Should the shareholder decide to attend a shareholders' meeting personally or exercise voting rights in writing or through electronic means after a proxy form has been delivered to the Company, a written notice should be sent to the Company no later than two days before the meeting commences to withdraw the proxy arrangement. If the withdrawal is made after the prescribed period, then the voting decision exercised by the proxy shall prevail.

If, after a proxy form is delivered to the Company, a shareholder wishes to attend the shareholders' meeting online, a written notice of proxy cancellation shall be submitted to the Company two days before the meeting date. If the withdrawal is made after the prescribed period, then the voting decision exercised by the proxy shall prevail.

4. The venue for a shareholders' meeting shall be the premises of the Company, or a place easily accessible to shareholders and suitable for a shareholders' meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m.

The restrictions on the place of the meeting shall not apply when the Company convenes a virtual-only shareholders' meeting.

5. (Preparation of attendance logs and documents)

The Company shall specify in its shareholders' meeting notices the time during which attendance registrations for shareholders, solicitors and proxies (collectively "shareholders") will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel shall be assigned to handle the registrations; for virtual shareholders' meetings, shareholders may begin to register on the virtual meeting platform 30 minutes before the meeting starts. Shareholders completing registration will be deemed as attend the shareholders meeting in person.

Shareholders shall attend shareholders' meetings based on attendance cards, sign-in cards, or other certificates of attendance. The Company may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Shareholders who wish to acquire a proxy form must present proof of identity on-site for verification.

The Company shall furnish the attending Shareholders with an attendance log to sign, or attending Shareholders may hand in a sign-in card in lieu of signing in.

Shareholders who attend the meeting shall be given a copy of the procedures manual, annual report, attendance pass, speech notes, agenda ballots and any information relevant to the meeting. Shareholders shall also be given election ballots where election of directors is to take place.

Where the Shareholders is a government agency or corporate entity, more than one representative

may attend the shareholders' meetings on their behalf. Legal person that have been designated as proxy attendants shall only appoint one representative to attend the shareholders' meeting.

In the event of a virtual shareholders' meeting, shareholders wishing to attend the meeting online shall register with the Company two days before the meeting date.

In the event of a virtual shareholders' meeting, the Company shall upload the meeting agenda book, annual report and other meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

5-1. (Convening virtual shareholders' meetings and particulars to be included in shareholders' meeting notice)

To convene a virtual shareholders' meeting, the Company shall include the follow particulars in the shareholders' meeting notice:

- I. How shareholders attend the virtual meeting and exercise their rights.
- II. Actions to be taken if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events, at least covering the following particulars:
 - (I) To what time the meeting is postponed or from what time the meeting will resume if the above obstruction continues and cannot be removed, and the date to which the meeting is postponed or on which the meeting will resume.
 - (II) Shareholders not having registered to attend the affected virtual shareholders' meeting shall not attend the postponed or resumed session.
 - (III) In case of a hybrid shareholders' meeting, when the virtual meeting cannot be continued, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders' meeting online, meets the minimum legal requirement for a shareholders' meeting, then the shareholders' meeting shall continue. The shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, and the shareholders attending the virtual meeting online shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders' meeting.
 - (IV) Actions to be taken if the outcome of all proposals have been announced and extraordinary motion has not been carried out.
- III. To convene a virtual-only shareholders' meeting, appropriate alternative measures available to shareholders with difficulties in attending a virtual shareholders' meeting online shall be specified.

6. (Meeting chair and participants)

If a shareholders' meetings is convened by the board of directors, the meeting shall be chaired by the Chairman. When the Chairman is on leave or for any reason unable to exercise the powers of the Chairman, the Vice Chairman shall act in place of the Chairman; If there is no Vice Chairman or the

Vice Chairman also is on leave or for any reason unable to exercise the powers of the Vice Chairman, the Chairman may appoint one of the directors to act on the Chairman's behalf. If the Chairman does not appoint an agent, one shall be elected among the directors to act on the Chairman's behalf.

When a director serves as chair, as referred to in the preceding paragraph, the director shall be one who has held that directorship for six months or more and who understands the financial and business conditions of the Company. The same shall be true for a representative of a legal person director that serves as chair.

It is advisable that shareholders' meetings convened by the board of directors be chaired by the Chairman of the board in person and attended by a majority of the directors (including at least one independent director), chairman of the audit committee, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

For shareholders' meetings convened by any authorized party other than the board of directors, the convener will act as the meeting chair. If there are two or more conveners at the same time, one shall be appointed from among them to chair the meeting.

The Company may summon its lawyers, certified public accountants, and any relevant personnel to be present at the shareholders' meeting.

7. (Video and audio recording in shareholders' meetings)

The Company, beginning from the time it accepts Shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures.

The recorded materials of the preceding paragraph shall be retained for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Where a shareholders' meeting is held online, the Company shall keep records of shareholder registration, sign-in, check-in, questions raised, votes cast and results of votes counted by the Company, and continuously audio and video record, without interruption, the proceedings of the virtual meeting from beginning to end.

The information and audio and video recording in the preceding paragraph shall be properly kept by the Company during the entirety of its existence, and copies of the audio and video recording shall be provided to and kept by the party appointed to handle matters of the virtual meeting.

In case of a virtual shareholders' meeting, the Company is advised to audio and video record the back-end operation interface of the virtual meeting platform.

8. Shareholders' presence is determined by the number of shares represented during the meeting. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in, and the shares checked in on the virtual meeting platform, plus the number of shares whose voting rights are exercised by correspondence or

electronically.

At the meeting's appointed time of commencement, the chair shall immediately call the meeting to order and announce relevant information such as the number of non-voting rights and the number of shares present. However, if those in attendance represent less than half of the Company's current outstanding shares, the chair may announce to postpone the meeting up to two times, for a period totaling no more than one hour. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned. In the event of a virtual shareholders meeting, the Company shall also declare the meeting adjourned at the virtual meeting platform.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month. In the event of a virtual shareholders meeting, shareholders intending to attend the meeting online shall re-register to the Company in accordance with Article 5.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of current outstanding shares, the chair may resubmit the tentative resolution for a vote by the shareholders' meeting pursuant to Article 174 of the Company Act.

9. (Discussion of proposals)

If a shareholders' meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Relevant agenda items (including special motions and amendments to the original agenda) shall be voted on respectively. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The preceding paragraph applies mutatis mutandis where the shareholders' meeting is convened by any authorized party other than the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair violates the rules of procedure by dismissing the meeting when it is not allowed to do so, other members of the board shall immediately assist the attending Shareholders to elect another chair with the support of more than half of the voting rights represented and continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or special motions put forward by the Shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote, and arrange ample voting time.

10. (Shareholders' opinions)

Shareholders who wish to speak during the meeting must produce a speech note detailing the topics and the Shareholder's account number (or the attendance card serial number). The order of Shareholders' comments shall be determined by the chair.

Shareholders who submit a speech note without actually speaking are considered to have remained silent. If the Shareholder's actual comments differ from those stated on the speech note, only the actual comments expressed shall be recorded.

Each shareholder shall speak no more than twice, for five minutes each, on the same agenda item unless otherwise agreed by the chair. The chair may stop Shareholders from speaking if they violate the rules or speak outside the agenda item under discussion.

While a Shareholder is speaking, other Shareholders shall not speak simultaneously or interfere in any way unless allowed by the chair and the person speaking. Any violators shall be restrained by the chair.

Where a corporate shareholder has appointed two or more representatives to attend the shareholders' meeting, only one representative may speak per agenda item.

After the Shareholder has finished speaking, the chair may answer the Shareholder's queries personally or appoint any relevant personnel to do so.

Where a virtual shareholders' meeting is convened, shareholders attending the virtual meeting online may raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declaring the meeting adjourned. No more than two questions for the same proposal may be raised. Each question shall contain no more than 200 words. The regulations in paragraphs 1 to 5 do not apply.

As long as questions so raised in accordance with the preceding paragraph are not in violation of the regulations or beyond the scope of a proposal, it is advisable the questions be disclosed to the public at the virtual meeting platform.

11. (Calculation of voting shares and recusals)

Voting at a shareholders meeting shall be calculated based the number of shares.

With respect to resolutions of Shareholders Meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of the Company, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the Taiwan competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed 3 percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting

rights in excess of that percentage shall not be included in the calculation.

12. Each share is entitled to one voting right, except for shares where voting rights are restricted as described in Article 179, Paragraph 2 of the Company Act.

Voting rights shall be exercised electronically or in writing during a shareholders' meeting; The shareholders' meeting notice must explain the methods through which shareholders may exercise voting rights in writing or in electronic form. Shareholders who have voted in writing or using the electronic method are considered to have attended shareholders' meeting in person.

However, the Shareholder will be deemed to have waived his/her rights with respect to the special motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoids the submission of special motions and amendments to original proposals.

Instructions to exercise written and electronic votes must be delivered to the Company at least two days before the shareholders' meeting. In the event where there are duplicate submissions, the earliest submission shall be taken into record. However, exception shall be granted if the Shareholder issues a proper declaration to withdraw the previous vote.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders' meeting in person or online, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two days before the date of the shareholders' meeting. If the withdrawal is not received in time, then the written or electronic vote shall be taken into record. If the Shareholder has exercised written or electronic votes, and at the same time delegated a proxy to attend the shareholders meeting, then the voting decision exercised by the proxy shall prevail.

Unless otherwise regulated by the Company Act or the Articles of Incorporation of the Company, an agenda item is passed when supported by shareholders who represent more than half of the total voting rights in the meeting. At the time of a vote, the Shareholders shall vote on each item separately. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there are any amendments or alternative solutions for the same proposal, the chair shall combine these amendments/alternative solutions with the original proposal and decide their priority for voting. If any resolution is passed, all other proposals shall be deemed rejected and no further voting is necessary.

The chair will appoint a ballot scrutineer and a ballot counter; the ballot scrutineer must be a Shareholder.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at

the meeting, and a record made of the vote.

When the Company convenes a virtual shareholders' meeting, after the chair declares the meeting open, shareholders attending the meeting online shall cast votes on proposals and elections on the virtual meeting platform before the chair announces the voting session ends or will be deemed abstained from voting.

In the event of a virtual shareholders' meeting, votes shall be counted at once after the chair announces the voting session ends, and results of votes and elections shall be announced immediately.

When the Company convenes a hybrid shareholders' meeting, if shareholders who have registered to attend the meeting online in accordance with Article 5 decide to attend the physical shareholders' meeting in person, they shall revoke their registration two days before the shareholders' meeting in the same manner as they registered. If their registration is not revoked within the time limit, they may only attend the shareholders' meeting online.

When shareholders exercise voting rights by correspondence or electronic means, unless they have withdrawn the declaration of intent and attended the shareholders' meeting online, except for extraordinary motions, they will not exercise voting rights on the original proposals or make any amendments to the original proposals or exercise voting rights on amendments to the original proposal.

13. (Election)

Where the shareholders' meeting involves re-election of directors, the election must proceed according to the Company's Election Policy, with outcomes announced immediately on-site, including the names of those elected as directors and the numbers of votes with which they were elected.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the ballot scrutineer and kept in proper custody for at least one year. If, however, a Shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

14. (Meeting minutes.)

Shareholders' meeting resolutions shall be compiled into detailed minutes, and signed or sealed by the chair then disseminated to each Shareholder no later than 20 days after the meeting. Preparation and distribution of meeting minutes can be made in electronic form.

The Company may distribute meeting minutes by posting details onto MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results (including the statistical tallies of the numbers of votes). Where there is an election of the directors, the number of votes received by each candidate shall be disclosed. The meeting minutes shall be retained for the duration of the existence of the Company.

Where a virtual shareholders' meeting is convened, in addition to the particulars to be included in the meeting minutes as described in the preceding paragraph, the start time and end time of the shareholders' meeting, how the meeting is convened, the chair's and secretary's name, and actions to be taken in the event of disruption to the virtual meeting platform or participation in the meeting online due to natural disasters, accidents or other force majeure events, and how issues are dealt with shall also be included in the minutes.

When convening a virtual-only shareholders' meeting, other than compliance with the requirements in the preceding paragraph, the Company shall specify in the meeting minutes alternative measures available to shareholders with difficulties in attending a virtual-only shareholders' meeting online.

15. (Public announcements)

On the day of a shareholders' meeting, the Company shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation, the number of shares represented by proxies and the number of shares represented by shareholders attending the meeting by correspondence or electronic means, and shall make an express disclosure of the same at the place of the shareholders' meeting. In the event a virtual shareholders' meeting, the Company shall upload the above meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting. During the Company's virtual shareholders' meeting, when the meeting is called to order, the total number of shares represented at the meeting shall be disclosed on the virtual meeting platform. The same shall apply whenever the total number of shares represented at the meeting and a new tally of votes is released during the meeting.

The Company must disclose on MOPS any shareholders' meeting resolutions that constitute material information as defined by law or the rules of the Taiwan Stock Exchange Corporation.

16. (Order in the meeting)

Organizers of the shareholders' meeting must wear proper identification or arm bands.

The chair may instruct marshals or security staff to help maintain order in the meeting. While maintaining order in the meeting, all marshals or security staff must wear arm bands or identification which identify their roles as "Marshall."

The chair may stop anyone who attempts to speak using speaker equipment not provided by the Company.

The chair may instruct marshals or security staff to escort Shareholders who continue to violate the meeting rules despite being warned by the chair from the meeting.

17. (Recess and resumption of meeting)

The chair may put the meeting in recess at appropriate times. In the occurrence of force majeure events, the chair may suspend the meeting temporarily and resume at another time.

If the shareholders' meeting is unable to conclude all scheduled agenda items (including special motions) before the venue is due to be returned, participants may resolve to continue the meeting at an alternative location.

A resolution may be adopted at a shareholders' meeting to defer or resume the meeting within 5 days in accordance with Article 182 of the Company Act.

18. (Disclosure of information at virtual meetings)

In the event of a virtual shareholders' meeting, the Company shall disclose real-time results of votes and election immediately after the end of the voting session on the virtual meeting platform according to the regulations, and this disclosure shall continue at least 15 minutes after the chair has announced the meeting adjourned.

19. (Location of the chair and secretary of virtual-only shareholders' meeting)

When the Company convenes a virtual-only shareholders' meeting, both the chair and secretary shall be in the same location, and the chair shall declare the address of their location when the meeting is called to order.

20. (Handling of disconnection)

In the event of a virtual shareholders' meeting, the Company may offer a simple connection test to shareholders prior to the meeting, and provide relevant real-time services before and during the meeting to help resolve communication technical issues.

In the event of a virtual shareholders' meeting, when declaring the meeting open, the chair shall also declare, unless under a circumstance where a meeting is not required to be postponed to or resumed at another time under Article 44-20, paragraph 4 of the Regulations Governing the Administration of Shareholder Services of Public Companies, if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events before the chair has announced the meeting adjourned, and the obstruction continues for more than 30 minutes, the meeting shall be postponed to or resumed on another date within five days, in which case Article 182 of the Company Act shall not apply.

For a meeting to be postponed or resumed as described in the preceding paragraph, shareholders who have not registered to participate in the affected shareholders' meeting online shall not attend the postponed or resumed session.

For a meeting to be postponed or resumed under the second paragraph, the number of shares represented by, and voting rights and election rights exercised by the shareholders who have registered to participate in the affected shareholders' meeting and have successfully signed in the meeting, but do not attend the postpone or resumed session, at the affected shareholders' meeting, shall be counted towards the total number of shares, number of voting rights and number of election rights represented at the postponed or resumed session.

During a postponed or resumed session of a shareholders' meeting held under the second paragraph, no further discussion or resolution is required for proposals for which votes have been cast and counted and results have been announced, or list of elected directors.

When the Company convenes a hybrid shareholders' meeting, and the virtual meeting cannot continue as described in second paragraph, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders' meeting online, still meets the minimum legal requirement for a shareholders' meeting, then the shareholders meeting shall continue, and not postponement or resumption thereof under the second paragraph is required.

Under the circumstances where a meeting should continue as in the preceding paragraph, the shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, provided these shareholders shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders' meeting.

When postponing or resuming a meeting according to the second paragraph, the Company shall handle the preparatory work based on the date of the original shareholders' meeting in accordance with the requirements listed under Article 44-20, paragraph 7 of the Regulations Governing the Administration of Shareholder Services of Public Companies.

For dates or period set forth under Article 12, second half, and Article 13, paragraph 3 of Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies, and Article 44-5, paragraph 2, Article 44-15, and Article 44-17, paragraph 1 of the Regulations Governing the Administration of Shareholder Services of Public Companies, the Company shall handle the matter based on the date of the shareholders' meeting that is postponed or resumed under the second paragraph.

21. (Handling of digital divide)

When convening a virtual-only shareholders' meeting, the Company shall provide appropriate alternative measures available to shareholders with difficulties in attending a virtual shareholders' meeting online.
